1770 Sherman Street Event Complex houses a grand ballroom with a 360 degree mezzanine, meeting rooms, and an auditorium. Built in 1906, the ballroom was the most elaborate El Jebel Shrine in the world. The intricately hand-painted walls and ceiling are breathtakingly beautiful. We can create a unique atmosphere for your special event.

An intriguing mansion, built at the turn-of-the-century, once one of the most prestigious addresses in Denver. Most of the original fixtures of the mansion remain, with a unique, large dining room added in 1965. You'll marvel at the wood work in Adams, the spider web floor, Denver's only "Casket Bar" and the interesting theatrical touches throughout.

Our meeting spaces are rustic and authentic 1860's era buildings with wooden beams and logs throughout the town. This helps to create that 1860's frontier motif. While the spaces can be dolled up for an ultra fancy event; the more casual rustic atmosphere allows folks to let their hair down.
